Wide eyed heroes Pastel, Clay, Rumy and Trapp are no strangers to adventure. With a mix of powerful sorcery, lightning fast steel, subtle stealth and elven wizardry, they are the perfect team. This time, a strange magical crystal drops into their hands, and it looks as if it may be linked to the power of dragonkind. When a quest like this calls, these heroes have no choice but to answer. They belt on their swords and begin a perilous journey to Mount Terrason in search of answers.
